the 22nd cent the February '56 it is gathered from the Collector's office that also amounts to the Show on payment, though the Rules do not appear to have been upto date as they are not mentioned in the D.P.'s Collection. The Collections, according to the Director's Report, are expected to be credited to the private Musicians National Relief Fund. The performances are being organised by the Govt. and though it may not be desirable that the proceeds would go to the private Musician's National Relief Fund, if it is certain there is no profit motive in arranging these shows.

Copy of letter from the Director of Public Instruction in B
Bangalore, dated 1st February 1954, to the Chief Secretar;
Government of Mysore, Bangalore --

In connection with the visit of the Soviet Delegatio

of 4 Members from the External Affairs Ministry

Of these, His Excellency Mr N N Bespalov and his I
Secretary together with His Excellency the Soviet Ambassad
accommodated at the Residency vide letter No D 301-Pt 1/54
24th January 1954 from the External Affairs Ministry addre
and copied to me

In regard to the others, I am personally of opinion
may all be accommodated in the West End Hotel, by special
with the Management If Government approve, I shall take
ssary steps Otherwise, 37 people will have to be provide
accommodation in the Crescent House, Carlton House and the
till recently occupied by the Law College and the Guest Bun
front of Carlton House The party consists of 12--15 Ladie
special arrangement for them in one independent building is
ted To save all trouble, I am inclined to consider that i
required number of rooms is available in the West End Hote
could all be housed in one Place

A Reception at State level is indicated The Chief Minist
may kindly decide it to give either a Garden Party or a Dinner
days free for the Delegation are the 21st and 23rd if they do not
elect to go to Mysore and Brindavan for sight seeing I have re
quested the Mayor of the Corporation and he has agreed to arrange
for a Civic Reception Personally, I would suggest 23rd for bo
the Civic Reception (including Tea Party) and Dinner on the 23rd
February 1954 to allow them a full day for sight seeing, on the

For the two performances arranged in Bangalore, one in the
"Sampangi Stadium" (Open Air Show) and the other in the Town Hall
provisionally We require a first rate Piano What is technic
known as the Concert Grand Piano is the best, but this is no
available anywhere in Bangalore As a good enough substitute,
semi-grand piano would perhaps do In this view, the piano in th
Residency would be ideal It requires tuning and I shall get i
done well in time This was made available to the Bangalore Ar
Society when Foreign Musicians gave recitals in Bangalore some
months back Instructions may be issued to the Registrar to mak
the Piano available We will get it suitable tuned for the occa

A sufficient number of cars for the Delegation would have
be hired out or in the alternative two good Buses which are in p
condition and properly upholstered will have to be requisitioned.
In any case, at lease three cars will have to be placed at the d
posal of the Delegation from the evening of 20th to the morning
25th February 1954 If the required type of Buses are not a
ble, I would suggest hiring out all cars for them

On the 21st February 1954, I would suggest their being
to Mysore and on to Brindavan Gardens and their coming Back t
galore late in the night The Executive Engineer, Krishnara
will have to be instructed to illuminate the Gardens speciall
the Guests If His Highness agrees, I would arrange for an
view on 21st February 1954 at Mysore, if Government permit me
do so

(P T O)

For the two performances fixed on 22nd and 24th Febr Government may be moved to waive the recovery of the stipul Entertainment Tax as the proceeds are expected to be credit Prime Minister's National Relief Fund In anticipation of I am getting the Government Press or any private press to p ticket books without including the cost of Entertainment Ta several denominational tickets This is for specific order communication to the District Magistrate

Adequate security measures will have to be taken fr of the arrival of the Delegation in Bangalore on the eveni February to the morning of 25th till they leave for Hydera the Stadium and in the Town Hall, effective Police Arrange have to be made to prevent gate crashing and crowding as t interfere with the recitals An un-usual crowd is expect in both places, to see the Delegation, if not to get into places by paying for the tickets The Inspector-General d will have to be requested to get into touch with me in reg details of Police bandobust at various places

The Director of Government Printing and Stationery, instructed to do whatever printing work is entrusted to him con ection with this Delegation's Visit to Bangalore such as letter heads, notices, handbills, posters, Souvenir, ticket books, cards and placards and various other requirements on request fr me as Chairman of the Committee I am also arranging to get the work done in Private Presses, wherever the Government Press fin not possible to undertake the work or where it is more advant geou to have it done elsewhere
